

Introduction

Sell your white and yellow maize through ZFU and ZMX

Maize marketing has been stressful for most farmers, especially smallholder farmers. This has been due to pricing issues, delayed payments and middlemen who took advantage of their strength in aggregation.

Here is an opportunity to market your yellow and white maize directly to the processors and enjoy certain payments in USD.

Price is negotiable

Payment - transfer into account or cash in 30 days.

Transport is available, grain can be bought from anywhere. Let's just come together and sell our maize together.

A minimum of 30 tonnes in the same area is required for a truck to come and collect.

For more information get in touch with any ZFU officer close to you and enjoy better, viable markets.

Head office 0773668714/ 0778687428/0778673354

For farmers in Bindura, there will be a meeting in Matepatepa as ZMX will be coming to share on payment updates, storage and other critical information.

The date for the meeting is Wednesday 09 July starting at 10 am
