

Weekly Market Guide

Issue No. 250530, 20May 2025

Introduction

Sell your white and yellow maize through ZFU and ZMX

Maize marketing has been stressful for most farmers, especially smallholder farmers. This has been due to pricing issues, delayed payments and middlemen who took advantage of their strength in aggregation.

Here is an opportunity to market your yellow and white maize directly to the processors and enjoy certain payments in USD.

Prices offered- \$340-360

Payment - transfer into account or cash in 30 days.

Transport is available, grain can be bought from anywhere. Let's just come together and sell our maize together.

A minimum of 10 tonnes, only up to the 6th of June and, 30 tonnes thereafter, in the same area is required for a truck to come and collect.

For more information get in touch with any ZFU officer close to you and enjoy better, viable markets.
